Nov 16<sup>th</sup> 1903

Mrs Chapman

Dear Sir

I have 1 Doz Bonds (Confed-  
erates). Some have entire No of cou-  
pons attached. Others have had some  
detatched - I scarcely know what  
price to put upon these. One series is  
for Feb 1862, others (3<sup>rd</sup> Series), for Feb  
1863. These old relics are scarce  
now. I sold one for \$1<sup>00</sup>, \$500 bond.

I send some Stamps - 3 Confederate  
For last sent. Sent in Letter, you can  
give the order on "People's Saving Bank"  
Mobile Al<sup>a</sup> Should you ~~if~~ ~~xxx~~ take  
others you can send order in same  
way - (on same Bank) I shall go  
to Mobile Tomorrow, D.V. where I  
will remain one week

I purchased two books, a few weeks  
since gave \$1<sup>00</sup> paper back for one, \$1.50, other  
"The Base Coin Encyclopedia 3<sup>rd</sup> Edition  
1903

2 "Standard-Postage Stamp, Cata-  
-logue" cloth binding - Scott N.Y.

They are not in the least soiled - if you  
want them you can take the two for \$2 <sup>00</sup>/<sub>11</sub>  
unfortunately I destroyed envelopes, so  
as to put them in smaller space -

In digging up sewer pipes, my son found  
2 old copper coins, date 1802, a wreath on  
one side, an Eagle on other & Gravi.  
The other was 1 Kreuzer 1851. There was  
also 2 coppers found in cellar 1827-1835-  
a head with Liberty 18 stars - wreath on  
opposite side - There are others - date  
indistinct. I have a silver coin, size  
of 10¢ piece - On one side the coat of  
arms of Spain, surmounted by a crown, &  
the inscription "Hispan. Et Ind. Rex" - on  
other side the bust of Carolus III - 1781

Very respectfully

Margaret D. Seimms

2 of these Stamp are not confid-  
-enti, but one - I sold one -

Simms
